

## Family Social Organization Fun

We had a wonderful turnout for the **bowling** event at **Forward Lanes**. Children bowled with the aid of bumpers and ramps and had fun watching their ball knock down the pins. Strike!

The Spring Break **skating** event at **Romp N Roll** was great! We practically had the roller rink to ourselves. The session ended with the limbo, Hokey Pokey and Chicken Dance. So much fun!

We hope you'll join the fun in April!
