

Fall Celebration with Our Cyert Center Friends

On the morning of October 17th, fifty-six preschool and Kindergarten friends from The Cyert Center for Early Education on CMU's main campus joined our morning classes on the playground. For about two hours, the children enjoyed making fall collages, playing with Frisbees on the field, navigating an obstacle course, building with the Imagination Playground blocks, creating colorful weavings, and reading fall-themed books. The students also enjoyed a trail mix of cereals and pretzels for snack. Hooray for fall and our Cyert Center friends!
