The 26th Annual Demuth Garden Tour will be a “House and Garden” Tour, featuring the gardens and home interiors of exclusive Lancaster residences, along with:

The Demuth Museum and Garden

At the heart of the Demuth Garden Tour is the historic home and garden of the world-renowned Modernist artist, Charles Demuth (1883-1935). The city of Lancaster inspired the majority of his art, from his Precisionist architectural works to his masterful watercolors, many of which depict the rich variety of plants and flowers in his mother Augusta’s garden.

The Conestoga House

The estate of the late James Hale Steinman and Louise Tinsley Steinman boasts five acres of gardens, featuring thousands of annual and bedding plants and over one hundred and fifty different varieties of perennial plants.
